

Contracts

State of Vermont
Department of Finance & Management
March - 2024

Revisions to Manual

March 2024

- Updated to reflect new fields added to contracts for VTBuys conversion

February 2024

- Updated for PeopleTools 8.60 upgrade

December 2022

- Added a note to the Create Contract Change/Amendment section of the manual starting on page 41. If your agency/department uses a maximum line amount you must also update the maximum line amount(s) when you process a change order

August 2019:

- Added a note to step 29 on page 31 that the amount must be set to at least .01

March 2019:

- Manual finalized

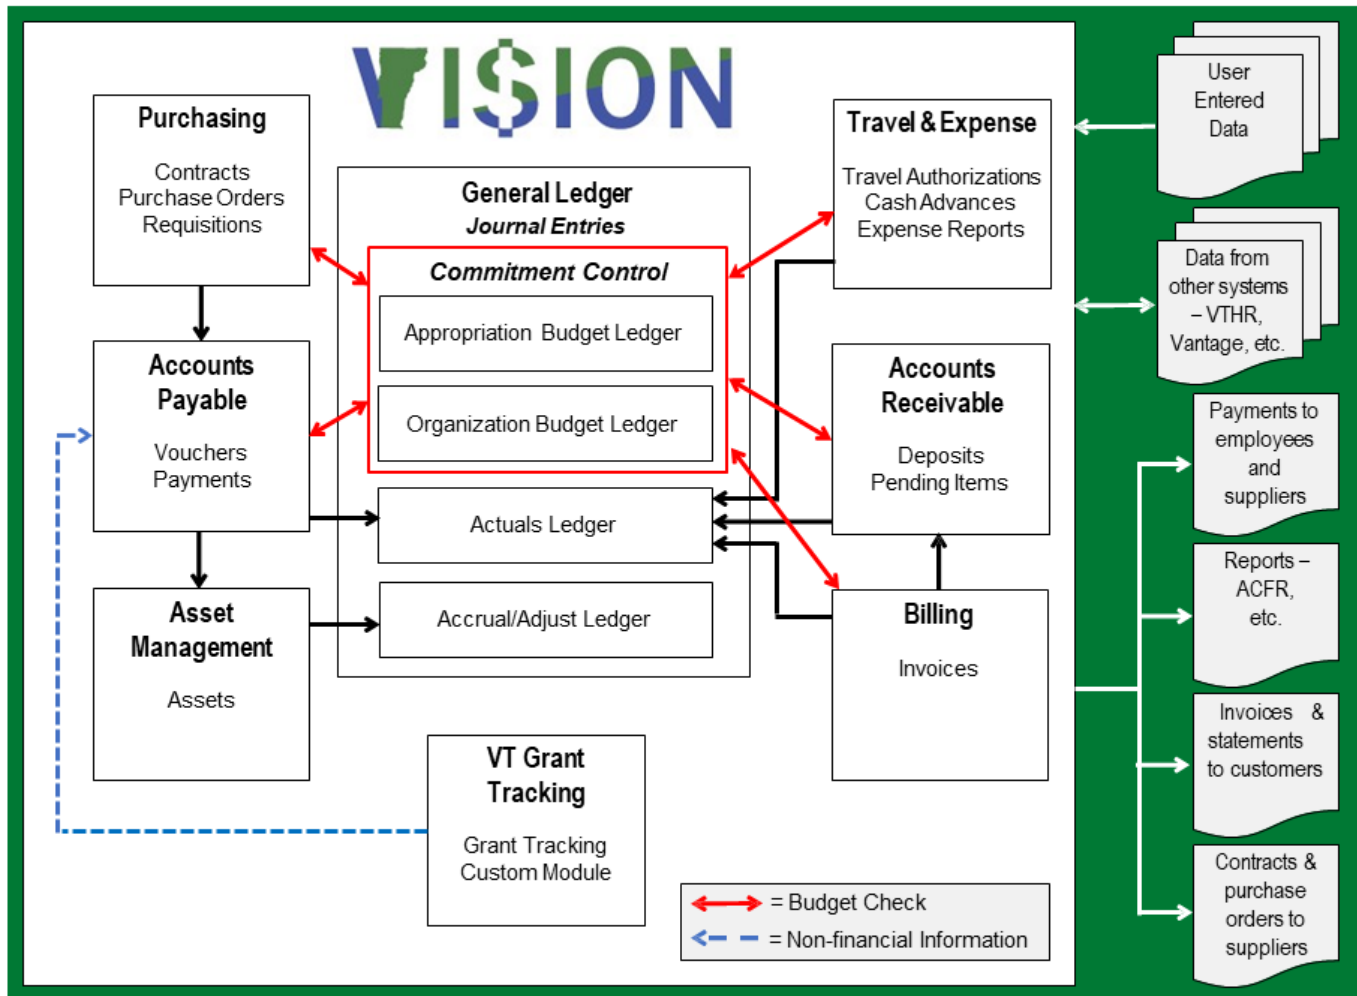

December 2018:

- Manual written

Introduction to Contracts

Overview of VISION financial system:

There are several documents which should be reviewed to understand contracting requirements. All are accessible on the Finance & Management website.

VISION procedure #3 - <http://finance.vermont.gov/policies-and-procedures/vision-procedures>

Operational Guidance OG#2 - <http://finance.vermont.gov/training-and-support/vision-job-aids-and-operational-guidance>

Bulletin 3.5 - <http://aoa.vermont.gov/bulletins>

Bulletin #3.5 and VISION Procedure #3 require the use of purchase orders when making payment against all contracts if the payment is being made in VISION. Through VISION, a purchase order directly ties the expense to the available contract balance providing the greatest assurance that a contract will not be overspent, while also providing interested parties with real-time information regarding contract utilization. While a department may feel it's more efficient to track contract payments through a spreadsheet and not use purchase orders, there is no direct link or system control between a

department's spreadsheet and the processing of that payment in VISION...thus increasing the risk of overspending the contract.

A contract must be entered into the VISION system to comply with Bulletin 3.5 Standards. It is recommended that you visit the Agency of Administration's website and review Bulletin 3.5.

The Purpose and Policy from Bulletin 3.5 reads: "This Bulletin applies to the procurement of all goods and services and the required documentation of such procurements, regardless of dollar amount, for all agencies, as defined herein, of the State of Vermont government. This Bulletin provides guidelines for conducting procurements and contracting and establishes minimum benchmarks and protocols to ensure the solicitation and awarding of contracts for services are completed with sufficient competition. The State process is designed to: ensure fair and open competition; guard against favoritism, improvidence, extravagance, fraud and corruption; ensure the results meet Agency/department needs; provide for checks and balances and oversee Agency procurement activities; and protect the interest of the State and its taxpayers. Agencies and departments may develop individual processes and procedures applicable to their needs, in addition to the minimum stated requirements of this Bulletin."

****Agencies must enter the contract into the VISION financial system to obtain a contract number, regardless of the dollar amount.**

The only way to draw down on a contract is by entering a purchase order.

Tracking Performance Contracts:

Challenges for Change is a plan to make Vermont government and services more effective so that better results are delivered at lower cost to taxpayers. Challenges for Change was authorized by Act 68 (the Challenges Bill) of the 2009-2010 legislative session. See additional information in Bulletin 3.5, Performance Measures and Accountability. Bulletin 3.5 can be found at the following link: <http://aoa.vermont.gov/bulletins>.

As a result of the Challenges for Change initiative, a new page called "Performance Info" has been added to the contracts section of the Purchasing module. This page is a mandatory page that must be filled in and approved before new contracts added to the financial system can be approved. The performance info page provides a mechanism to track performance contracts and compliance with performance measures.

Contracts with a start date \geq 7-1-10 are automatically designated as challenges for change contracts. The performance info page must be filled out and approved before the contract can be approved.

General Procurement Information:

To meet on-going reporting requirements pertaining to State contracting, additional contract data elements must be captured when entering contracts and contract amendments into VISION. These new elements include designating the "Process Used" to secure the agreement and the "Agreement Type".

Although these elements are already required and captured when preparing Form AA- 14, additional "Agreement Types" have been added to reflect the changes with the reissue of Administrative Bulletin 3.5. Use of this General Procurement Information area begins July 1, 2016.

The VISION Contract Amendment process is as follows:

- All Departments will create and maintain one contract without copying and creating new iterations.
- Contract Activities link – The comments fields behind the “Contract Activities” link **MUST** be used to identify all amendments. You **MUST** enter the contract amendment number from the AA-14 here. Entering information on this page will give you a quick view of all amendments.
- Add/Edit Comments link – Explanation for any amendments **MUST** also be entered on this page. This can be done easily with a cut and paste process. Entering information on this page allows all current and prior contract amendment information to be printed out and easily viewed (assuming “copy to supplier” is checked).

Departments are reminded that all documentation required by Bulletin 3.5 must be maintained offline and made available upon demand for audit purposes.

***** Finance is the only Department that processes contract adjustments. *****

Frequently Asked Questions (FAQs)

I added a contract that I no longer need or was entered with incorrect information (i.e., wrong supplier). What do I do with it?

You cannot delete the contract, instead you can close the contract and create a new one if necessary. If you no longer need to use the contract, navigate to Purchasing > Procurement Contracts, change the status to Closed, and save. We do not use the Cancel function in VISION.

Why am I receiving an “Invalid Value” error message when I try to enter a PO against a valid contract?

Typically, this happens because of a couple of different reasons. On the Contract Header page, check the begin and expire dates to confirm the contract is available for use. If the dates are valid, verify the contract is in Approved status. If the dates are fine and the contract is approved, contact VISION Support at VISION.FinHelpdesk@vermont.gov for assistance.

Why aren't the PO Defaults I put in my Contract coming into my Purchase Order?

PO Defaults set up on a Contract will only come into the Purchase Order if the PO is copied from the Contract. If you enter the Contract number on the Contract tab of your PO, the default information will not come forward.

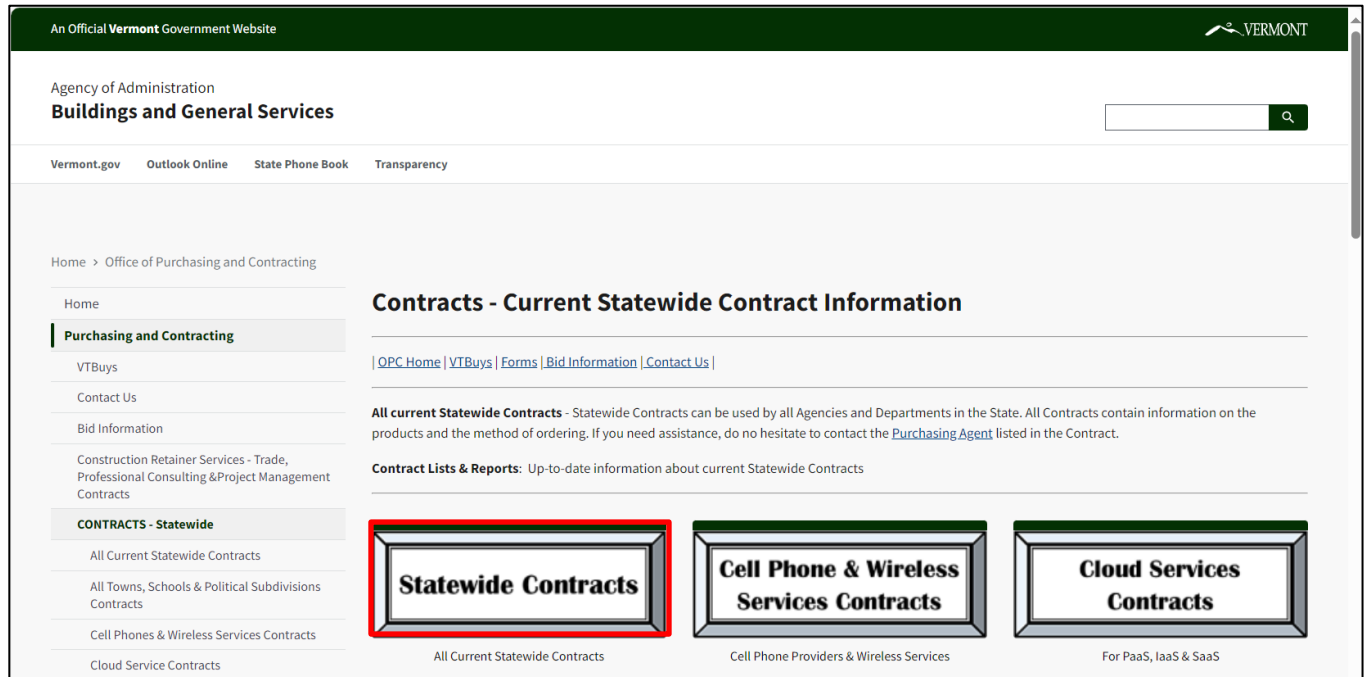

What do I do if the remaining amount of my contract is incorrect due to the PO that I entered incorrectly?

- If the PO has not been completed, then you will need to process a change order to the PO to properly update the remaining amount of the contract. For information on processing change orders, please refer to the Purchasing 102 manual located on the Finance and Management website at <http://finance.vermont.gov/training-and-support/vision-manuals>
- If the PO had been completed, then you will need to contact a member of Financial Operations to have a manual contract adjustment processed.

Is there a State Contract for the item I need to purchase?

To determine if there is a state contract for a specific item you need to purchase, go to the Office of Purchasing and Contracting website located on the State of Vermont website under Dept. of Buildings and General Services.

Navigation: Go to the Purchasing and Contract website at <http://bgs.vermont.gov/purchasing-contracting/contract-info>

Click on **Statewide Contracts**

NOTE: Please note that when accessing Current Contracts from the Office of Purchasing & Contracting website at <http://www.bgs.vermont.gov/purchasing-contracting/contract-info/current> (including those for use by Town and Schools), these contracts are statewide use contracts and do not include individual agency-specific contracts issued by the Office of Purchasing & Contracting.

How to Find and Interpret a Contract

WorkCenter navigation: Purchasing WorkCenter > Links Pagelet > Contracts > Add/Update Contracts

Navigator Menu navigation: Procurement Contracts > Add/Update Contracts

The **Contract Entry** page displays, click on the **Find an Existing Value** button:

The screenshot shows the 'Contract Entry' page with the 'Find an Existing Value' section. At the top right is a button labeled '+ Add a New Value'. Below the section header is a 'Search Criteria' dropdown and a instruction: 'Enter any information you have and click Search. Leave fields blank for a list of all values.' There are two search history sections: 'Recent Searches' and 'Saved Searches', each with a dropdown menu and an edit icon. The main search area contains several fields with dropdown menus and text input boxes, each with a magnifying glass icon: '*SetID' (set to '= STATE'), 'Contract ID' (set to 'begins with'), 'Contract Version' (set to '='), 'Origin' (set to 'begins with'), 'Version Status' (set to '='), 'Contract Style' (set to 'begins with'), 'Contract Process Option' (set to '='), 'Short Supplier Name' (set to 'begins with'), 'Supplier Name' (set to 'begins with'), 'Master Contract ID' (set to 'begins with'), and 'Description' (set to 'begins with'). Below these fields is a link 'Show fewer options'. At the bottom are two checkboxes: 'Case Sensitive' and 'Correct History'. A red rectangle highlights the 'Search' button, with a 'Clear' button next to it.

SetID = **STATE** defaults in.

There are three ways to search for a contract:

1. **Contract ID** - If you know the contract number, enter the number in the Contract ID field and be sure to include the leading zeros. You can also click on the drop-down arrow, change “begins with” to “contains” and search by part of the number.
2. **Origin Code** - This is a good way to search for contracts belonging to your department. You can also search for Central Purchasing contracts by using their origin codes of CP and CPS however this may be a long list.
3. **Short Supplier Name** - Enter part or as much of the Supplier Name as you wish, click the magnifying glass to return a list of suppliers with a similar short name to select from, then click the **Search** button. Remember, sometimes putting in too many letters reduces your chance of success.

Once you have selected the contract and clicked **Search** the following page will display:

- 1. The Contract ID number** displays on the top of the contract

The screenshot shows the 'Contract Entry' form in the VISION system. Numbered callouts point to the following fields:

- 2**: *status (Approved)
- 3**: Process Option (Purchase Order)
- 4**: Supplier ID (00029969)
- 5**: Expire Date (04/30/2022)
- 6**: Maximum Amount (30,000.00 USD)
- 7**: Remaining Amount (30,000.00)

Other visible fields include: Contract ID, Contract Version (1), Status (Current), Approved Date (05/01/2018), Administrator/Buyer (Linda T Wortman), Contract Style (Purchase Order), Supplier (CASELLA MA-001), Begin Date (05/01/2018), Renewal Date, Currency (USD), Primary Contact, Supplier Contract Ref, Description (CP-WASTE&RECYC ST PARKS RG-4), Master Contract ID, Tax Exempt ID, and Amount Summary (Line Item Released Amount, Category Released Amount, Open Item Released Amount, Total Released Amount, Remaining Amount, Remaining Percent).

2. **The Contract must be in “approved” status to use the contract in a purchase order.** If the contract status is something other than approved and: **Origin code = CP or CPS** – contact the Purchasing Agent (828-2211) - to find the agent click on the Contract Thresholds link or look in the Current Contracts list, **Origin code = Your Dept** – contact the appropriate person in your department
3. **Contract Process Option** - The process option should be **Purchase Order** for the contract to be used in a purchase order and to be able to print the contract
4. **Supplier ID Number** - The Contract number and the Supplier ID number form a partnership. If you are creating a Purchase Order and do not have the correct Supplier ID number, you will not be able to bring in a line from that contract. The Supplier Address for the Contract will default from the Supplier record. There will be no ability in VISION to change the Supplier Address directly on a Contract
5. **Expiration Date** - The last date the contract is available to use. If the expiration date of the contract has already gone by, to use the contract, you will need to make the PO date prior to the expiration date of the contract. (This should only be done if the services were for the period the contract was valid)
6. **Maximum Amount** - The maximum dollar amount of the contract
7. **Remaining Amount** - The maximum amount of the contract minus the total released amount. This tells you how much is left on the contract to spend

This is the page that determines whether the “Price Can Be Changed on Order”. If this option is checked, you can change purchase order prices that default in from the contract.

This is also where the base price is entered. Any maximum or minimum line quantities are entered here. For example, if when the contract was negotiated it was determined that line 6 of the contract should only have \$60,000 spent against it, a maximum line amount of \$60,000 could be entered for the maximum line amount. This would only allow up to \$60,000 in purchase orders to go against line 6.

16. Click OK

17. Click the **VT Performance Info** tab

All the information filled in above comes directly from the Contract page.

C4C Contract box:

- This box will be checked and grayed out for **all** contracts entered with a start date $\geq 7-1-10$. This indicates that the contract is a challenges for change contract and will require the Financial Information section to be filled in
- If the contract has a start date $\leq 6-30-10$ the box will not be checked, and the Financial Information section will not need to be filled in
- If the contract has a start date $\leq 6-30-10$ and it is determined that the contract is a challenges for change contract, the box can be checked, and the Financial Information area would need to be filled in

If the contract is a C4C contract; then the Financial Information area must be filled in:

- The question “Does this agreement include performance measures tied to outcomes and/or funding” must be answered by choosing “Yes” or “No”.
- Estimated Funding Split: A percentage must be entered for how the contract money will be spent. The total funding splits must equal 100%. These splits will automatically calculate the dollar amount based on the percentages entered per each fund.

- G-Fund = general fund
- F-Fund = federal fund
- S-Fund = special fund
- GC-Fund = global commitment fund
- Other (If “Other” is chosen, a text box will open, and a description of the funding source must be entered)

Note: For contracts that can be used throughout the state, such as Purchasing and Contract Administration contracts with an origin code of CP or CPS or master contracts such as those for Marketing and DII, if the funding source cannot be determined then use 100% “Other”. A suggested description of the funding source would be “Central Purchasing” or “Master”.

Approval box: This box must be checked if the C4C box is checked. Only users with security to approve a contract will be able to approve the Performance Info page. A contract that is a C4C contract must have the Performance Info page approved before the contract can be approved.

General Procurement Information:

Based on information captured when preparing Form AA-14.

Drop Down Values

Process Used:

- Qualifications based selection
- Simplified bid
- Sole sourced
- Standard bid or RFP
- Statutory

Agreement Type:

- Architectural/Engineering
- Commodity
- Construction
- Data Usage and/or Data Sharing
- Financial Transaction
- Grant
- Information Technology
- Marketing
- Other Contracts for Services
- Privatization
- Professional Services
- Retired or Former Employee
- Zero Dollar (or No-Cost)

The General Procurement Information area is designed so that selecting values in the drop-down fields are required fields.

New contracts: If a new contract is entered into VISION, the drop-down values must be selected before the contract can be moved to “approved” status.

Existing contracts: If an existing contract, in an “approved” or “closed” status, is moved to “open” and then to “approved” status, the General Procurement information area needs to be complete. (i.e., if values do not exist, they need to be selected.) If an existing contract, whether “approved” or “open”, is moved to “closed” status the General Procurement information area will not need to be filled in.

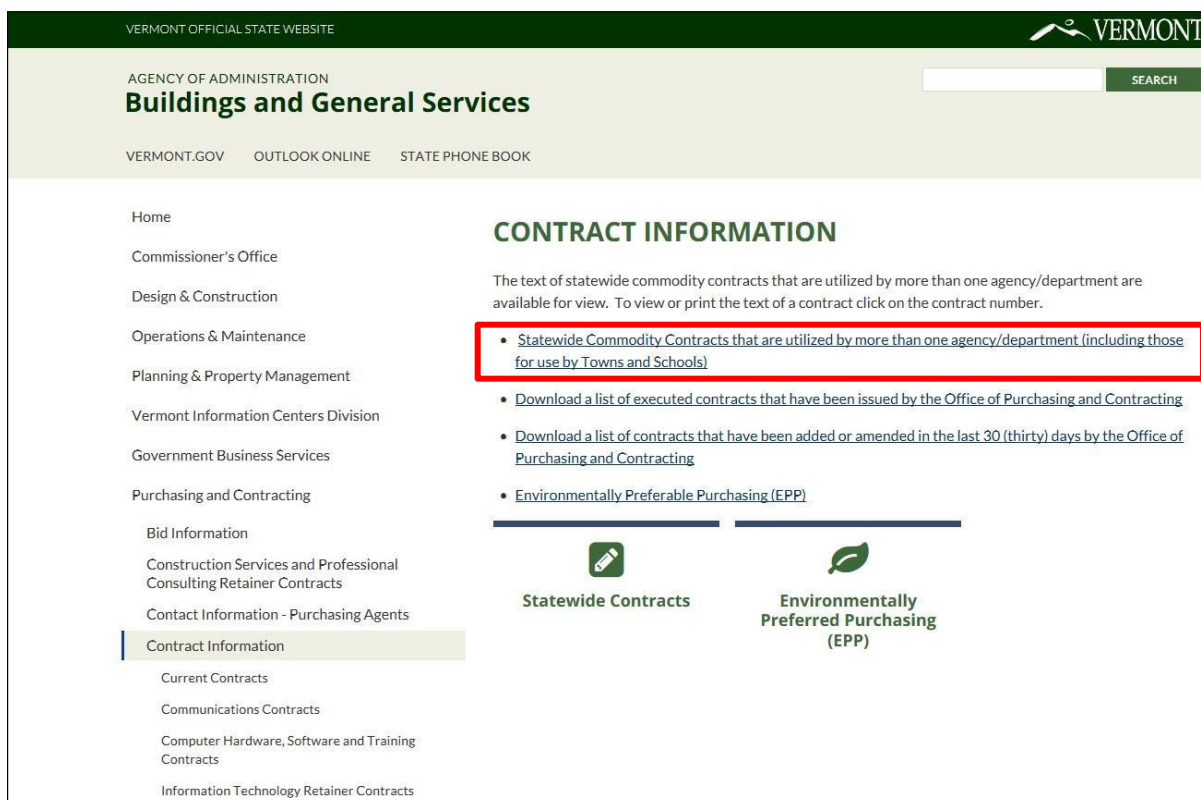

VTBuys/ACFR6 Section:

The fields in this section will be populated automatically on March 19, 2024. Any new contracts entered after that date will need this data added, see the [Enter a Services Contract](#) exercise. If a change is made to the maximum contract amount, see the [Create Contract Change/Amendment](#) exercise.

Finding and Interpreting a Contract is Complete

How to Determine if a Commodity is on Contract

Navigation: Go to the Purchasing and Contract Administration website at <http://www.bgs.vermont.gov/purchasing-contracting/contract-info>.

1. Click on [Statewide Commodity Contracts that are utilized by more than one agency/department \(including those for use by Towns and Schools\)](#)

NOTE: Please note that when accessing Current Contracts from the Office of Purchasing & Contracting website at <http://www.bgs.vermont.gov/purchasing-contracting/contract-info/current> (including those for use by Town and Schools), these contracts are statewide use contracts and do not include individual agency-specific contracts issued by the Office of Purchasing & Contracting.

CURRENT CONTRACTS

To see the text of a contract click on the contract number. If you need further information, send the purchasing agent an e-mail by clicking on their name. In order to view, navigate, download or print the contracts you will need the free.

How to Determine if a Commodity is on Contract is Complete

Enter Services Contract

WorkCenter navigation: Purchasing WorkCenter > Links Pagelet > Contracts > Add/Update Contracts

Navigator Menu navigation: Procurement Contracts > Add/Update Contracts

The **Contract Entry** page displays:

The screenshot shows the 'Contract Entry' page. At the top left is the title 'Contract Entry'. Below it, on the left, is the text 'Add a New Value'. On the right is a button labeled 'Find an Existing Value' with a magnifying glass icon. The main form area contains four fields: 'SetID' with the value 'STATE' and a magnifying glass icon; '*Contract ID' with the value 'NEXT'; 'Style ID' with the value 'PO' and a magnifying glass icon; and '*Contract Process Option' with a dropdown menu showing 'Purchase Order'. Below these fields is a button labeled 'Add', which is highlighted with a red rectangle.

Note: In the *Contract Process Option* field, the value defaults as *Purchase Order*. Accept the default so that you can dispatch and print the contract. If you enter a contract and you selected an option other than “purchase order”, you will need to close the contract and create a new one to be able to dispatch/print.

1. Click **Add**

The **Contract** page displays:

14. Click on the **Send to Supplier** checkbox for comments to be seen on a printed copy of the Contract

15. Click on the **Copy to Purchase Order** checkbox for comments to be seen on a printed copy of the PO

16. If you need to add an Attachment to be included with the standard comments, click the **Attach** button

The **File Attachment** box opens, click on **Chose File** to find file attachment and click **Upload**

File Attachment

Choose File No file chosen

Upload Cancel

If you have questions about which Standard Comments should be used, please contact BGS Purchasing and Contract Administration at 828-2211.

17. Click **OK**

You are returned to the **Contract Entry** page:

The screenshot shows the 'Contract Entry' page. At the top, there are tabs for 'Contract' and 'VT Performance Info'. Below this, the 'Contract' section displays fields for SetID, STATE, Copy From Contract, Contract ID, NEXT, *Status (Open), *Origin (FM), and Administrator/Buyer. To the right, the 'Contract Version' section shows Version 1, Status Current, and Approval Due Date. A 'Header' section contains fields for *Contract Style (Purchase Order), Process Option (Purchase Order), *Supplier (CHERRYROAD-00), *Supplier ID (0000084643), and *Begin Date (11/27/2018). On the right side, there is a menu with links: Edit Comments, Contract Activities (highlighted with a red box), Primary Contact Info, Contract Releases, Activity Log, Document Status, and Thresholds & Notifications.

18. Click the **Contract Activities** link to view additional information

The **Contract Activities** page displays:

The screenshot shows the 'Contract Activities' page. It has a title bar with 'Contract Activities' and a 'Help' button. Below the title bar, there are tabs for 'Contract Entry' and 'Contract Activities'. The main section displays a table with columns: Version, *Due Date, Done, and *Comments. The first row shows Version 1.1. At the bottom, there are buttons for OK, Cancel, and Refresh.

This is the page where **all contract activity**, such as approvals and amendments, **MUST** be recorded. This information is required. You should also include initials of the person who updated this information.

Example(s): "Approved on 11/27/18 with signatures. ET" "Amended 12/01/18 to add Section 3. ET"

In the case of an amendment, provide a description of what was updated, and you **must** include the contract amendment number from the AA-14.

19. Click **OK** - Once the Maintain Contracts page returns, **uncheck** the Allow Multicurrency PO checkbox (SOV only processes transactions using US Dollars)

The screenshot shows the 'Order Contract Options' page. It has a title bar with 'Order Contract Options' and a question mark icon. Below the title bar, there are several checkboxes: Allow Multicurrency PO (unchecked), Allow Open Item Reference (unchecked), Must Use Contract Rate Date (unchecked), Corporate Contract (checked), Adjust Supplier Pricing First (unchecked), Auto Default (checked), Lock Chartfields (unchecked), Price Can Be Changed on Order (unchecked), *Dispatch Method (Print), and PO Defaults (highlighted with a red box). There are also links for 'Add Open Item Price Adjustments' and 'Price Adjustment Template'. At the bottom right, there is a 'Dispatch' button.

20. If you want to restrict use of the contract to your Business Unit only, uncheck the Corporate Contract checkbox and click on the PO Defaults link to enter dept specific information

21. **Departments with contracts that serve multiple PO business units should leave Corporate Contract checked**

22. Click the **PO Defaults** link

Financial Information

Does this agreement include performance measures tied to outcomes and/or funding? ☐ Yes ☐ No

Estimated Funding Split: % G-Fund % F-Fund % S-Funds % GC-Fund % Other %

Total funding splits: %

The Performance Info page must be filled in for all contracts that are challenges for change contracts (C4C). Contracts with a start date $\geq 07/01/10$ are automatically designated as challenges for change contracts. Contracts with a start date $\leq 06/30/10$ can be designated as challenges for change contract by clicking on the C4C box.

Note: The Information above the Financial Information area is filled in from the Contract page

33. The C4C (challenges for change) box is checked and grayed out as will be the default for all contracts entered with a start date $\geq 07/01/10$
34. A "Yes" or "No" must be selected for the question of 'Does this agreement include performance measures tied to outcomes and/or funding?'
35. Estimated Funding Split: Enter the percentage in the appropriate area for what fund or funds the contract amount will be spent against. The Total funding splits will automatically calculate and must equal to 100%. If part or all the funding source falls under "Other", a description of the funding source must be entered in the text box that opens

Note: For contracts that can be used throughout the state, such as Purchasing and Contract Administration contracts with an origin code of CP or CPS or master contracts such as those for Marketing and DII, if the funding source cannot be determined then use 100% "Other". A suggested description of the funding source to enter into the text box would be "Central Purchasing" or "Master"

9. For a notification on Expiration Date, enter a value in the Notify Days Before Expires box. (Note that the Expire Date of the Contract is displayed in this box. This value entered represents the Number of Days prior to this Expiration Date that the notification should be generated)
10. For a notification on Renewal Date, enter a value in the Notify Days Before Renewal box. (Note that the Renewal Date of the Contract (if applicable) is displayed in this box. This value entered represents the Number of Days prior to this Renewal Date that the notification should be generated)
11. For a notification on Maximum Amount, enter a value in the Amount Less than Maximum box. (Note that the Maximum of the Contract is displayed in this box. This value entered represents the dollar amount less than this maximum amount that the notification should be generated. Also note that the Percent Less than Maximum is automatically calculated based on this dollar amount)

To select the specific users that should receive a notification, first identify the Notification Type in the Notification Assignments section. (Note that the various types of notification include Approval Due Date, Expiration, Maximum Amount and Renewal.)

Select the User ID for the Notification Type via the User ID lookup. After you select the user, you will see the User Description and Email Address are then displayed

- To specify an additional Notification Assignment, click the plus sign icon in the Notifications Assignments section, and then specify the Notification Type and User ID (Step 12). (Note that you can have multiple Notification Types for the same User ID, or multiple User IDs for the same Notification Type based on your specific needs for the Contract)

- Click **OK**

Contracts - March 2024

Page 38 of 74

You are returned to the **Contract Entry** page:

The screenshot shows the 'Contract Entry' page with several sections:

- Order Contract Options:** Includes checkboxes for 'Allow Multicurrency PO', 'Corporate Contract', 'Lock Chartfields', 'Allow Open Item Reference', 'Adjust Supplier Pricing First', 'Price Can Be Changed on Order', 'Must Use Contract Rate Date', 'Auto Default', and a 'Dispatch Method' dropdown set to 'Print'. A 'Dispatch' button is also present.
- Contract Items:** A table with columns: Line, Item, Description, UOM, Category, Include for Release, and Status. The first row shows Line 1, Item (icon), Description 'Database work on vendors & salaries for SPOTLIGHT', UOM 'EA', Category '00101', and Status 'Active'.
- Contract Categories:** A table with columns: Line, Category, Description, and Status. The first row shows Line 1, Category (empty), Description (empty), and Status 'Active'.
- Buttons:** At the bottom, there are buttons for 'Save' (highlighted with a red box), 'Return to Search', 'Notify', 'Refresh', 'Add', 'Update/Display', and 'Correct History'.

14. Click the **Save** button to save the **Contract**

A Reason Code page will appear to allow you select a Reason Code and enter Comments related to the changes made for the Contract Thresholds and Notification:

The 'Reason Code Page' dialog box contains the following elements:

- Header:** 'Reason Code Page' with a close button and a 'Help' link.
- Instructions:** 'Enter a reason code and comment for making changes that are being tracked.'
- Form Fields:** 'SetID STATE' and 'Contract ID 000000000000000000000030250' are displayed. Below them is a 'Reason Code' field with the value 'CHANGE' and a magnifying glass icon (highlighted with a red box).
- Comment Field:** A text area for 'Comment' containing the text 'Updated Contract Alert Notifications as per the request of Agency.'
- Checkboxes:** A checkbox labeled 'Use Same Reason Code' is currently unchecked.
- Buttons:** 'OK', 'Cancel', and 'Refresh' buttons are at the bottom.

15. Select a **Reason Code** by clicking the magnifying glass icon to display all eligible values

17. Click **OK to return to the Contract Entry Page**

Note – The steps above to set up contract alert notifications can also be executed at the time a new contract is added.

Note – The contract alert process will run nightly to produce notification emails. You must have “Email User” checked under Workflow Attributes on your My System Profile page for contract notifications to be sent. If this is not checked, no notification will be sent. It is also important to “mark as worked” any contract notification that you have received on your worklist once it has been addressed. Additional notifications for the same contract will not be sent unless all previous notifications have been “marked as worked”.

Page 40 of 74

Create Contract Change/Amendment

Situations when this function is used: To extend the expiration date of a contract, to increase the maximum amount of the contract, or to designate a contract as a challenge for change contract. This should only be done after all required signatures have been obtained for the contract amendment.

WorkCenter navigation: Purchasing WorkCenter > Links pagelet > Contracts > Add/Update Contracts

Navigator Menu navigation: Procurement Contracts > Add/Update Contracts

The **Contract Entry** page displays, click on the **Find an Existing Value** button:

The screenshot shows the 'Contract Entry' page with a 'Find an Existing Value' section. At the top right of this section is a button labeled '+ Add a New Value'. Below the title is a 'Search Criteria' section with the instruction: 'Enter any information you have and click Search. Leave fields blank for a list of all values.' There are two search history sections: 'Recent Searches' and 'Saved Searches', each with a dropdown menu and an edit icon. The main search area contains several criteria, each with a dropdown menu and a search icon: '*SetID' (dropdown), 'STATE' (text input), 'Contract ID' (dropdown 'begins with' and text input), 'Contract Version' (dropdown), 'Origin' (dropdown 'begins with' and text input), 'Version Status' (dropdown), 'Contract Style' (dropdown 'begins with' and text input), 'Contract Process Option' (dropdown), 'Short Supplier Name' (dropdown 'begins with' and text input), 'Supplier Name' (dropdown 'begins with' and text input), 'Master Contract ID' (dropdown 'begins with' and text input), and 'Description' (dropdown 'begins with' and text input). Below these fields are two checkboxes: 'Case Sensitive' and 'Correct History'. At the bottom are two buttons: 'Search' (highlighted with a red box) and 'Clear'.

1. **Contract ID** - Enter the contract ID number
2. **Contract Process Option** - Should always be Purchase Order
3. **Origin** - Enter your depts. origin code
4. **Short Supplier Name** - Enter the short supplier name if known
5. Click **Search**

Note: You should at least enter your dept.'s origin code to keep the search results more manageable

The **Contract** page displays:

7. Click on the **Contract Activities** link

The **Contract Activities** page displays:

The screenshot shows the 'Contract Activities' window. At the top, there's a 'Contract Entry' section. Below it, the title 'Contract Activities' is displayed. A header bar shows 'SetID STATE', 'Contract ID 000000000000000000000000030250', and 'Version 1'. The main area contains a table with the following columns: 'Version', '*Due Date', 'Done', and '*Comments'. The first row has '1 1' in the Version column, '10/08/2015' in the Due Date column, a checked box in the Done column, and 'Approved on 3/31/16 with signatures. KS' in the Comments column. The Comments cell is highlighted with a blue box. To the right of the table are navigation buttons: 'First', '1 of 1', and 'Last'. At the bottom are 'OK', 'Cancel', and 'Refresh' buttons.

Version	*Due Date	Done	*Comments
1 1	10/08/2015	<input checked="" type="checkbox"/>	Approved on 3/31/16 with signatures. KS

This is the page where **all contract activity**, such as approvals and amendments, **MUST** be recorded. This information is required. You should also include initials of the person who updated this information. For example: "Approved on 3/31/16 with signatures. KS" "Amendment #1 on 4/15/16 to increase maximum amount by \$200,000 from \$537,881.00 to \$737,881.00. KS"

In the case of an amendment, provide a description of what was updated, and you **must** include the contract amendment number from the AA-14.

This screenshot is identical to the previous one, but the plus sign button at the end of the table row is highlighted with a red box. The plus sign button is located to the right of the minus sign button in the table's footer area.

8. To insert a row, click the plus sign + at the end of the row

Print/Dispatch Contract

A Contract can be dispatched (printed) using the “Dispatch Contracts” selection from the menu after the contract has been approved and saved. General contracts cannot be printed/dispatched.

WorkCenter navigation: Purchasing WorkCenter > Links pagelet > Contracts > Dispatch Contracts

Navigator Menu navigation: Procurement Contracts > Dispatch Contracts

The **Dispatch Supplier Contracts** page displays, click on the **Add a New Value** tab:

1. **Run Control ID** - Enter a new run control ID, ex: DISPATCH_CONTRACT
2. Click **Add**

The **Dispatch Contracts** page displays:

3. **Set ID** - Enter STATE
4. **Business Unit** - For CPS users only - To print a CP or CPS contract, enter “PURCH” for the business unit. If this is a CP or CPS contract and you want to print it but don’t have the PURCH option, then leave the business blank. The contract will print, and the only difference will be the State of Vermont address in the left-hand corner will not appear. If this contract originates from your department, enter your Business Unit
5. **Contract ID** - Enter Contract ID #
6. Click **Run**

Inquiring on Purchase Orders against a Contract is Complete

Contracts by Origin Code Report

Situations when this function is used: A report of all Approved, Open, or Closed contracts for your department.

WorkCenter navigation: Purchasing WorkCenter > Reports/Processes pagelet > Procurement Contracts > VT Contracts by Origin

Navigator Menu navigation: Procurement Contracts > Reports > VT Contracts by Origin

The **VT Contracts by Origin** page displays, click on the **Add a New Value** button:

The screenshot shows the 'VT Contracts by Origin' page. At the top left, the title 'VT Contracts by Origin' is displayed. Below it, there is a section with two buttons: 'Add a New Value' on the left and 'Find an Existing Value' on the right. Below these buttons is a search bar with the placeholder text '*Run Control ID' and the value 'VT_CONTRACTS_E' entered. Below the search bar is a red 'Add' button.

1. **Run Control ID** - Enter a run control ID. If you already have a Run Control ID, click the **Find an Existing Value** tab, enter the Run Control ID or a portion of it and click **Search**

****Run Controls are operator specific – it is important to remember you should not cross modules with your run controls – doing so may cause the run control to become corrupt.***

2. Click **Add**

The **Run Control** page displays:

Contract Expiration Report

Situations when this function is used: Periodically the Contract Expiration Report should be run as part of managing your department contracts. The report will show what contracts have expired or are due to expire by the date you enter.

WorkCenter navigation: Purchasing WorkCenter > Reports/Processes pagelet > Procurement Contracts > Vt Contracts to Expire

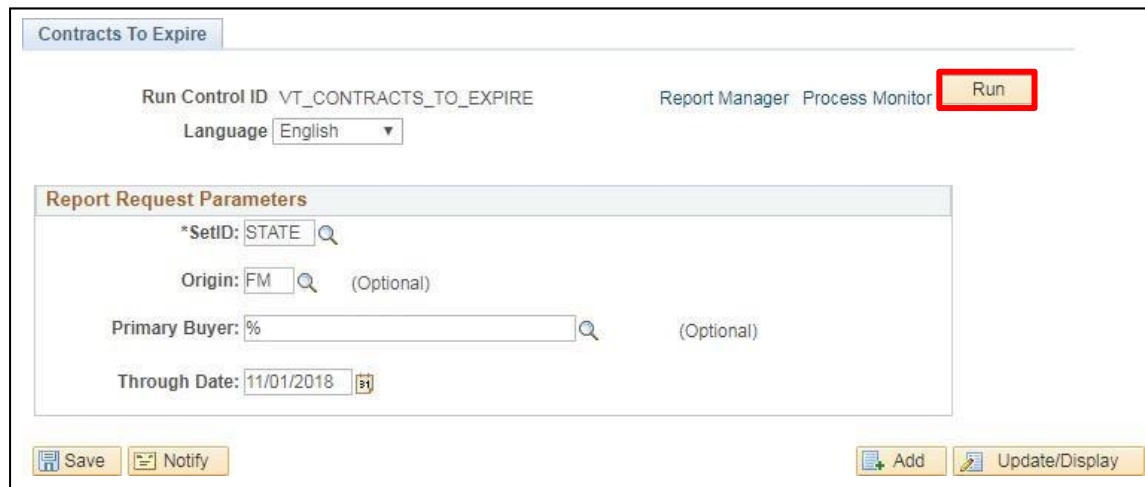

Navigator Menu navigation: Procurement Contracts > Reports > VT Contracts to Expire

The VT Contracts to Expire page displays, click on the **Add a New Value** button:

1. **Run Control ID** - Enter a Run Control ID
2. Click **Add**

The **Contracts To Expire** page displays:

3. **SetID** - STATE, do not change the default
4. **Origin Code** - This report should always be run using your department Origin code (example: FM, DPS, FPR, etc. Running this report using your origin code will help keep the report size manageable)
5. **Primary Buyer** - Enter if you have this information, keep in mind if you enter a primary buyer the report results will be only for that primary buyer and not for all buyers. Entering a % will return data for all buyers
6. **Through Date** - Example: 11/01/2018, this will also help keep the results manageable
7. Click **Run**

The **Process Scheduler** page displays:

The screenshot shows the 'Process Scheduler Request' dialog box. At the top, it displays 'User ID DBROCHU' and 'Run Control ID VT_CONTRACTS_TO_EXPIRE'. Below this are fields for 'Server Name', 'Run Date' (12/01/2018), 'Recurrence', 'Run Time' (8:36:14AM), and 'Time Zone'. A 'Reset to Current Date/Time' button is next to the Run Time field. The 'Process List' section contains a table with the following data:

Select	Description	Process Name	Process Type	*Type	*Format	Distribution
<input checked="" type="checkbox"/>	VT_RPTPO005	VT_RPTPO005	Application Engine	Web	PDF	Distribution

At the bottom left, there are 'OK' and 'Cancel' buttons. The 'OK' button is highlighted with a red box.

8. Ensure the ***Type = Web** and the ***Format = PDF**

9. Click **OK**

You are brought back to the **Run Control** page:

The screenshot shows the 'Contracts To Expire' Run Control page. At the top, it displays 'Run Control ID VT_CONTRACTS_TO_EXPIRE' and 'Language English'. There are buttons for 'Report Manager', 'Process Monitor', and 'Run'. Below this is the 'Report Request Parameters' section with the following fields:

- *SetID: STATE
- Origin: FM (Optional)
- Primary Buyer: % (Optional)
- Through Date: 12/01/2018

At the bottom, there are buttons for 'Save', 'Return to Search', 'Notify', 'Add', and 'Update/Display'. The 'Report Manager' button is highlighted with a red box.

10. Click on the **Report Manager** link

The **Report Manager** page displays, click on the **Administration** tab:

Review Contract Change History

Possible situations when this function is used: Auditing and tracking of changes to contracts require the need to review changes made to a Contract. VISION Contract change tracking provides an audit trail of key contract transactional information that identifies who made what change and when the change was made.

WorkCenter navigation: Purchasing WorkCenter > Links pagelet > Contracts > Add/Update Contracts

Navigator Menu navigation: Procurement Contracts > Add/Update Contracts

The **Contract Entry** page displays, click on the **Find an Existing Value** button:

The screenshot shows the 'Contract Entry' page with a 'Find an Existing Value' section. At the top right of this section is a button labeled '+ Add a New Value'. Below the title is a 'Search Criteria' section with the instruction: 'Enter any information you have and click Search. Leave fields blank for a list of all values.' There are two search history sections: 'Recent Searches' and 'Saved Searches', each with a dropdown menu and an edit icon. The main search criteria area contains several fields: '*SetID' (dropdown), 'STATE' (text), 'Contract ID' (dropdown with 'begins with' and text '00000000000000030250'), 'Contract Version' (dropdown), 'Origin' (dropdown with 'begins with' and text), 'Version Status' (dropdown), 'Contract Style' (dropdown with 'begins with' and text), 'Contract Process Option' (dropdown), 'Short Supplier Name' (dropdown with 'begins with' and text), 'Supplier Name' (dropdown with 'begins with' and text), 'Master Contract ID' (dropdown with 'begins with' and text), and 'Description' (dropdown with 'begins with' and text). Below these fields is a link 'Show fewer options'. At the bottom of the search criteria area are two checkboxes: 'Case Sensitive' and 'Correct History'. At the very bottom are two buttons: 'Search' (highlighted with a red box) and 'Clear'.

1. **Contract ID** - Enter a Contract ID number
2. **Contract Process Option** - Should always be Purchase Order)
3. **Origin** - Your depts. origin code - **You should at least enter your dept.'s origin code to keep the search results more manageable**
4. **Short Supplier Name** - Enter Short Supplier name if known
5. Click **Search**

The **Contract Entry** page displays:
