Sec. E.301 SECRETARY'S OFFICE – GLOBAL COMMITMENT

(a) The Agency of Human Services will use the funds appropriated in this section for payment of the actuarially certified premium required under the intergovernmental agreement between the Agency of Human Services and the managed care entity, the Department of Vermont Health Access, as provided for in the Global Commitment for Health Waiver (Global Commitment) approved by the Centers for Medicare and Medicaid Services under Section 1115 of the Social Security Act.

EXPLANATION: VCSR is a state-funded program to reduce out-of-pocket costs for eligible, qualified health plan enrollees. Federal changes in recent years have made health plans with even lower out-of-pocket costs more affordable for Vermonters. As a result, VCSR complicates coverage decisions for enrollees and is no longer an efficient use of state dollars. Therefore, the proposal is to eliminate the program effective January 1, 2024.

Not more than 15 percent of the funds may be used for the administration of such services by the recipients of these funds.
