Mr. James B. Reardon
Commissioner
State of Vermont
Department of Finance and Management
109 State Street
Montpelier, Vermont 05602-0401

Dear Mr. Reardon:

A negotiation agreement is being faxed to you for signature. This agreement reflects an understanding reached between your institution and a member of my staff concerning the rates or amounts that may be used to support your claim for costs on grants and contracts with the Federal Government. The agreement must be signed by a duly authorized representative of your institution and e-mailed to me at CAS-NY@psc.hhs.gov ; retain a copy for your file. We will reproduce and distribute the agreement to awarding agencies of the Federal Government for their use.

The fixed central service costs for fiscal year ended June 30, 2015 amounting to \$16,206,258 includes the final carry-forward under-recovery of \$836,764 from fiscal year ended June 30, 2013.

Additionally, we have reviewed your correspondence dated August 5, 2014. This pertained to your Reconstruction Plan and FEMA Funding, due to resulting damage from Tropical Storm Irene on August 28, 2011. We are in agreement with your proposed plan to account for these reconstructed facilities, whereby State Funds will be segregated from FEMA funds in your accounting systems. This will ensure that only depreciation on State contributed assets will be included in your SWCAP. Depreciation on assets acquired with FEMA funds will be properly excluded from your SWCAP.

Mr. James B. Reardon

January 13, 2015

Your cost allocation plan for fiscal year ending June 30, 2016 based on your actual costs for the fiscal year ended June 30, 2014 must be submitted to my office by December 31, 2014*.

In order to effect a timely negotiation, your next plan must be accompanied by the following supporting information:

1. A certification of the plan by a responsible official.
2. A copy of your official financial statements supporting the costs contained in the plan.
3. An organization chart identifying those organizations rendering central services and all other departments, agencies, and bureaus, whether or not they are reflected as benefiting from services in the cost allocation plan.
4. A copy of your current approved State Budget Report.
5. Copies of all actuarial reports that relate to the pension plan and all self-insurance funds.
6. A schedule summarizing the billings and payments, by State Agency, for each service under Section II, Billed Costs, is necessary. Revenue and expenditure data by billing rates/categories should be provided for all Communication and Information Technology Services. Information should be broken out by beginning balance, revenues and expenditures. Actual cost by billable services and actual billed revenues should be provided.
7. A reconciliation of Retained Earnings for all internal service funds, self-insurance funds and fringe benefits funds. (See ASMB C-10 for guidance)

Sincerely,
