Candace Elmquist, Sr. Budget & Management Analyst, Candace has accepted the position of **Financial Director IV**, at AHS - Central Office. Please join me in wishing

Candace, all the best in her new role. Candace has been a key member of the BudMan team since March 2018, during which time she has always been the first to volunteer for dangerous solo missions, including the allocations of Internal Service Funds, the file transfers between Vantage and VISION/VTHR, tracking and reporting the deployment of federal pandemic relief funds, and producing the 1,432-page Big Budget Book to accompany the Governor's Recommended Budget. Along with her diligence, dedication, and attention to detail, I will miss her sense of humor, and most of all, her willingness to help me find my own way around as a new leader of the team. We look forward to continuing to work with her at AHS.

- **Hardy Merrill, Director Budget & Management, DFM**

Retirement / Promotion:

Ruthellen Doyon, Director of Statewide Accounting, Department of Finance & Management. After 28 ½ years of public service, Ruthellen will retire from state government at the end of December. It is difficult to overstate Ruthellen's contribution to Finance & Management and the State of Vermont. During her 25 years in Financial Operations and its BGS predecessor, including 15 years as Director of Statewide Accounting, Ruthellen has mentored dozens of employees, many of whom have gone on to play important roles in FinOps and other departments. Her fingerprints are on every budget proposed by the Governor and every budget signed by the Governor. She leaves a legacy of professionalism and service which has helped the state manage its financial affairs with confidence. Fortunately, **Joe Harris** will step into Ruthellen's job upon her departure. Joe brings 19 years of state government financial experience - as an accountant with VTrans, a financial director with the Agency of Administration, and a statewide reporting analyst in FinOps. His most recent position has been Assistant Director of Statewide Reporting, which has meant a lead role in compiling and publishing the state's Annual Comprehensive Financial Report. His deep experience in public accounting and reporting, and his high level of energy, will be important assets in his new position. Starting immediately, and through December 31, 2021, all communications, questions, and meeting requests that would normally be sent to Ruthellen Doyon should be sent to Joe Harris with a "CC" to Ruthellen.

Please join me in wishing **Ruthellen Doyon** a happy and healthy retirement, and welcoming **Joe Harris** as our new **Director of Statewide Accounting**.
