It is **VERY IMPORTANT** that this form be completed from the top down, and ALL fields with an asterisk are filled in. Due to the limited functions of this form, not completing the form in order can skew the prompt results and you will need to start a new form.

Top Section

The screenshot shows the top section of a web form titled "Vision Module Security Form". At the top, there are three tabs: "Form" (selected), "Instructions", and "Attachments". Below the tabs, the form fields are as follows:

- *Subject**: A text input field.
- Priority**: A dropdown menu currently set to "3-Standard".
- Due Date**: A date input field with a calendar icon.
- Status**: A text input field containing the word "Initial".
- *Action**: A dropdown menu.

Note: All fields marked with an asterisk (*) are required.

- 1. Subject** - Enter the reason/description for this request. (ie: John Smith, 12345 new access)
- 2. Priority** - Accept Default. **Note: Changing the status will not change the standard processing time which can run anywhere from same day to five business days.**
- 3. Due Date** - Enter date that the request is being submitted. Dates entered will not affect processing time
- 4. Action** – Select an appropriate action:
 - Add New User: This will create a new account for the user (they do not have a VISION account)
 - Remove User: This will remove all VISION module access to VISION
 - Update User: This will update security for an existing VISION user

Important Note: List all current access as well as the change(s) you want to make, otherwise; if you indicate only the change, that is the ONLY access the user will be given.

18. Comments/More Information

- List any special classes needed, this will give special access or roles to the user.
- Use this area to add ANY additional information that will help us process your request efficiently.

19. Double check the request to make sure that all fields contain the correct information and that all proper documentation is attached. This step is important because once a requester submits a request, they will not be able to access it again unless it is denied by VISION Support. Additionally, VISION Support cannot change any information that is entered by the requester so if anything is entered incorrectly or entered in to the wrong fields, the request will be denied by VISION Support and sent back to the requester for correction and resubmission

20. Click [Save](#)

This will assign the form a sequence number, which is located at the top of the form:

The screenshot shows a web form titled "Vision Module Security Form". At the top left, there are three tabs: "Form", "Instructions", and "Attachments". Below the tabs, the sequence number "Seq # 19" is displayed in a green-bordered box. The form contains the following fields and controls:

- *Subject: Eric Hoefel, xxxxx, new user
- Priority: 3-Standard (dropdown menu)
- Due Date: 01/31/2019 (calendar icon)
- Status: Initial
- Buttons: "Preview Approval" and "Submit" (the "Submit" button is highlighted with a red border)
- *Action: Add New User (dropdown menu)

21. Click the **Submit** button - All requests will be handled by the date/time in which the requests are received. Processing times can run anywhere from the same day to five business days

Check the Form Status

Check the status of your requests by running the VT_MODULE_SECURITY_FORM query. This query will provide you with the status of the request (i.e., Initial, Pending Approval, Approved, Denied) so that you can view them to see if corrections are needed or not.
